

Layout and semantics

Layout bu veb-sahifamizning rejasi (chizmasi) hisoblanadi.

HTMLda maxsus ma'no bildiradigan teglar semantik teglar deyiladi. Misol uchun, veb-sahifamizni turli qismlarini ifodalash uchun turli teglar mavjud:

- **header** - veb-sahifaning yuqori qismi;
- **nav** - veb-sahifamizning menyu qismi;
- **main** - veb-sahifamizning asosiy qismi;

- `section` - veb-sahifamizdagi biror bo'lim uchun konteyner;
- `aside` - veb-sahifamizning yon tomon qismi;
- `footer` - veb-sahifamizning pastgi qismi;
